[57] **CLAIM**

The ornamental design for a display receptacle, as shown and described.

DESCRIPTION

FIG. **1** is a perspective view of a display receptacle showing my new design;

FIG. **2** is a front elevational view of FIG. **1**;

FIG. **3** is a top plan view of FIG. **1**, the bottom being flat and unornamented;

FIG. **4** is a side elevational view taken from the left of FIG. **1**;

FIG. **5** is an elevational view taken in the direction of the rear corner from the right of FIG. **1**;

FIG. **6** is a perspective view of a second embodiment of the design of FIG. **1**, the only difference being the omission of the upper shelf and the shifting upwardly of the lower shelf.
