[57] **CLAIM**

The ornamental design for a combined information and advertising column, as shown and described.

DESCRIPTION

FIG. **1** is a perspective view of a combined information and advertising column showing my new design, with the broken line showing for illustrative purposes only and forming no part of the claimed design;

FIG. **2** is a front elevational view thereof, with the rear being a mirror image; and,

FIG. **3** is a side elevational view thereof, with the opposite side being a mirror image.

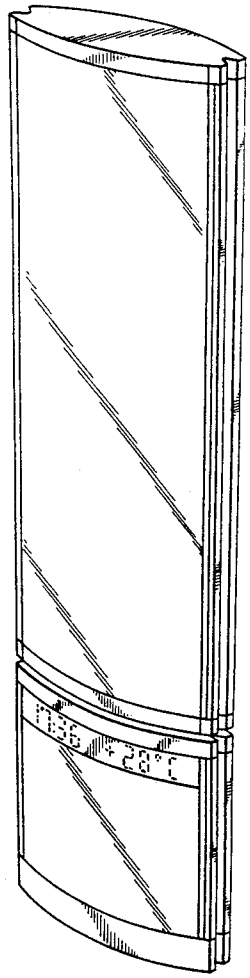

FIG. 1

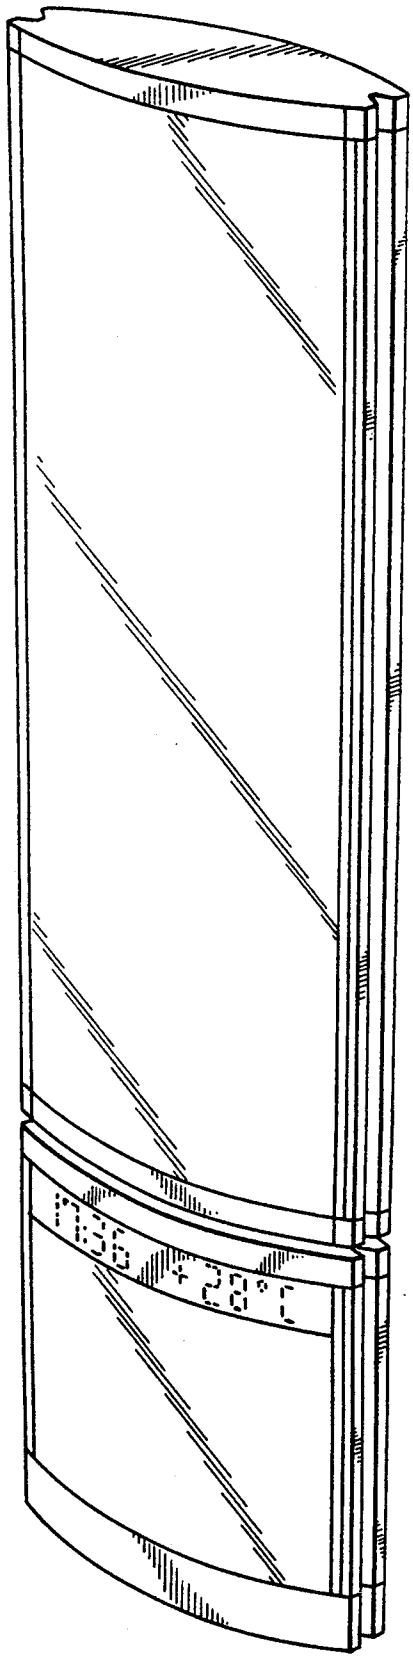

FIG. 2

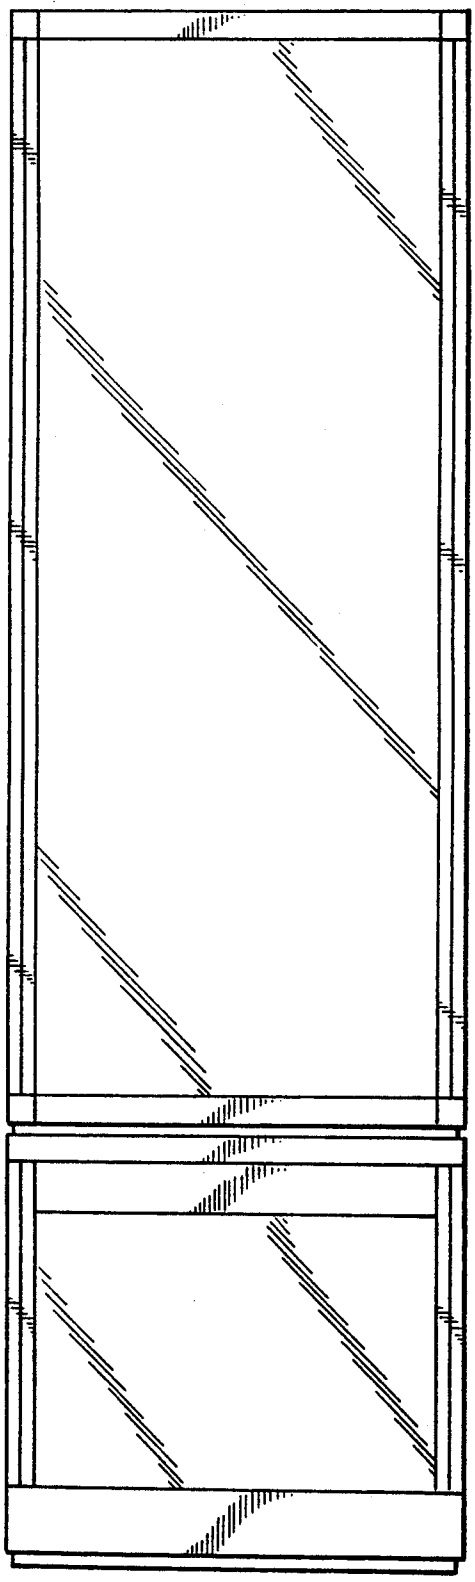

FIG. 3
