[57] **CLAIM**

The ornamental design for a combined transmitter and receiver for locating children, as shown and described.

DESCRIPTION

FIG. **1** is a perspective view of a combined transmitter and receiver for locating children showing my new design;
FIG. **2** is a front elevational view thereof, of the transmitter portion;
FIG. **3** is a rear elevational view thereof;
FIG. **4** is a right side elevational view thereof;
FIG. **5** is a left side elevational view thereof;
FIG. **6** is an end elevational view thereof;
FIG. **7** is an end elevational view thereof, from the opposite end;
FIG. **8** is a front elevational view thereof, of the receiver portion;
FIG. **9** is a rear elevational view thereof;
FIG. **10** is a right side elevational view thereof;
FIG. **11** is a left side elevational view thereof;
FIG. **12** is an end elevational view thereof; and,
FIG. **13** is an elevational view thereof, from the opposite end.
