TWO WAY ENVELOPE**FIELD OF INVENTION**

[0001] Our invention is in the field of envelopes containing information and/or payments for goods or services which are transmitted and delivered by the U.S. Postal Service.

SUMMARY OF THE INVENTION

[0002] Briefly put, our invention consists of an approximately 8½ by 11 inches printed piece of paper which is mailed to an individual or entity containing an invoice for goods or services furnished by the sender which is then mailed back to the sender enclosing payment for the goods or services.

BRIEF DESCRIPTION OF THE DRAWINGS

[0003] **FIG. 1** is a front view of the preferred form of the printed paper.

[0004] **FIG. 2** is a rear view of the preferred form of our invention.

[0005] **FIG. 3** is a rear view of our invention showing sections 2A, 2B and 2C.

[0006] **FIG. 4** is a partially folded view of the rear side of our invention.

[0007] **FIG. 5** is a view of the rear side of our invention with section 2C being removed.

[0008] **FIG. 6** is a multiplanar drawing showing insertion of check 20 into the envelope.

[0009] **FIG. 7** is front view if the sealed envelope stamped and addressed to the sender.

**DETAILED DESCRIPTION OF THE
PREFERRED EMBODIMENT**

[0010] A printed sheet of 8½ by 11 inch paper to be mailed to an individual or entity containing an invoice for goods or services furnished by the sender and which is then returned to the sender enclosing payment for the goods or services.

[0011] The foregoing description of our invention may vary in its details and the scope of our invention is limited only by the appended claims.

We claim:

1. A printed piece of paper which is mailed to an individual or entity containing an invoice for goods or services furnished by the sender and/or a solicitation and contract which is then returned to the sender enclosing payment for the goods or services and/or a signed solicitation contract..

2. A printed sheet of paper as set forth in claim 1 in which the printed information includes the name and address of the sender.

3. A printed sheet of paper as set forth in claim 1 which includes a detachable stub which the person or entity to whom the printed sheet was originally sent retains.

4. A printed sheet of paper as set forth in claim 1 which is folded by the person or entity to whom it was mailed by the sender with the name and address of that person or entity appearing on the front of the folded paper and also has the name and address of the sender on the front of the folded paper and the folded paper is held together by gummed edges.
