[57] **CLAIM**

The ornamental design for a computer housing, as shown and described.

DESCRIPTION

FIG. **1** is a front, top, and left side perspective view of a computer housing embodying my new design; and FIG. **2** is a rear, top, and right side perspective view thereof.

The keys are partially shown on the keyboard for the ease of illustration, it being understood that the omitted keys are identical in appearance to the keys shown in the lower righthand corner of the keyboard.
