UNITED STATES PATENT OFFICE

166,330

PRESSURE REGULATOR

John L. Matasovic, Chicago, Ill.

Application December 12, 1951, Serial No. 17,702

Term of patent 14 years

(Cl. D52—1)

To all whom it may concern:

Be it known that I, John L. Matasovic, a citizen of the United States, residing at Chicago, in the county of Cook and State of Illinois, have invented a new, original, and ornamental Design for a Pressure Regulator, of which the following is a specification, reference being had to the accompanying drawings, forming a part thereof.

In the drawings:

Figure 1 is a front perspective view of a pressure regulator, showing my new design;

Figure 2 is a side elevational view;

Figure 3 is a front elevational view; and

Figure 4 is a rear elevational view thereof.

I claim:

The ornamental design for a pressure regulator, substantially as shown.

JOHN L. MATASOVIC,
