## COMBINED FOOD AND BEVERAGE VENDING STATION

Charles M. Kemper, Fort Lauderdale, Fla.

Application October 26, 1950, Serial No. 12,730

Term of patent 14 years

(Cl. D13—1)

### *To all whom it may concern:*

Be it known that I, Charles M. Kemper, a citizen of the United States, residing in Fort Lauderdale, in the county of Broward and State of Florida, have invented a new, original, and ornamental Design for a Combined Food and Beverage Vending Station, of which the following is a specification, reference being had to the accompanying drawing, forming a part thereof.

Fig. 1 is a front elevational view of a combined food and beverage vending station, showing my new design; and

Fig. 2 is a top plan view of the design of a combined food and beverage vending station.

My invention relates to the refreshment stand as shown in the figure, and the back of the design is identical in appearance to the front as shown in Fig. 1.

### I claim:

The ornamental design for a combined food and beverage vending station, substantially as shown and described.

CHARLES M. KEMPER.
