DESCRIPTION

FIG. 1 is a front perspective view of a digital video disc and graphics carrying sleeve, as shown and described.

FIG. 2 is a rear perspective view thereof; the broken lines showing the digital video disc being included to illustrate the use; such lines forming no part of the claimed design;

FIG. 3 is a front elevational view thereof;

FIG. 4 is a right side elevational view thereof;

FIG. 5 is a top plan view thereof;

FIG. 6 is a rear elevational view thereof;

FIG. 7 is a left side elevational view thereof; and,

FIG. 8 is a bottom plan view thereof.

The broken double lines shown around the periphery of the claimed invention in FIGS. 1, 2, 3, and 6 are understood to represent scan lines.

1 Claim, 4 Drawing Sheets
