CLAIM

I claim the ornamental design for the set of heart-shaped vegetable chips, as shown and described.

DESCRIPTION

FIG. 1 shows the front perspective view of a first member from the set of heart-shaped vegetable chips showing my new design;

FIG. 2 shows the front elevational view thereof, with the opposite side being a mirror image;

FIG. 3 shows the side elevational view thereof, with the opposite side being a mirror image;

FIG. 4 shows the bottom perspective view thereof;

FIG. 5 shows the front perspective of a second member of the set of heart-shaped vegetable chips, which is the center cut-out portion of the first member;

FIG. 6 shows the front elevational view thereof;

FIG. 7 shows the side elevational view thereof, with the opposite side being a mirror image;

FIG. 8 shows the rear elevational view thereof; and,

FIG. 9 shows the bottom elevational view thereof.
