(57)   **CLAIM**

The ornamental design for a back rest for a chair, as shown and described.
                DESCRIPTION

FIG. **1** is a perspective view showing the front and left side of a back rest for a chair which forms my new design, the broken lines in this and other figures showing other parts of a chair being for illustrative purposes only and forming no part of my design;

FIG. **2** is a front elevational view thereof; and,

FIG. **3** is a left side elevational view thereof, this view and the opposite right side elevational view being mirror images.

The short broken lines on the back rest in FIGS. **1**–**3** are understood to represent stitching.
