DESCRIPTION

FIG. 1 is a front view of a display screen with graphical user interface for presenting ticket pricing showing the new design;

FIG. 2 is a front view of a display screen with graphical user interface for presenting ticket pricing showing an alternate embodiment;

FIG. 3 is a front view of a display screen with graphical user interface for presenting ticket pricing showing an alternate embodiment;

FIG. 4 is a front view of a display screen with graphical user interface for presenting ticket pricing showing an alternate embodiment; and,

FIG. 5 is a front view of a display screen with graphical user interface for presenting ticket pricing showing an alternate embodiment.

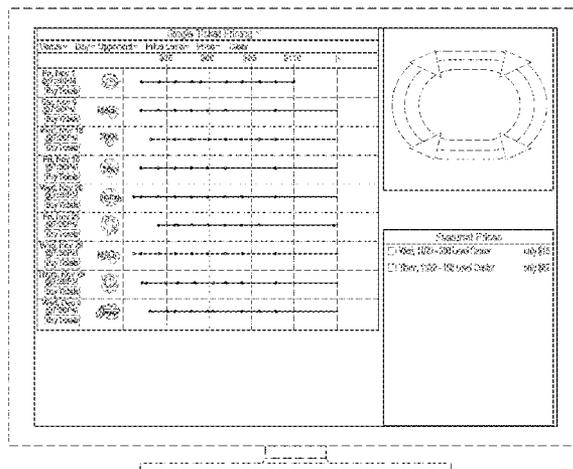

The broken lines showing a display screen, text, and portions of the graphical user interface form no part of the claimed design.
