[57] **CLAIM**
The ornamental design for a waist mounted dog leash, as
shown and described.

DESCRIPTION
FIG. 1 is a side view of the present invention a waist
mounted dog leash showing the belt portion and lead portion
with the belt portion unbuckled;
FIG. 2 is an opposite side view of the belt portion, without
the lead portion attached;
FIG. 3 is a perspective view of the dog leash with the belt
portion worn about the waist of a person and the lead portion
secured to a dog; and,
FIG. 4 is a top view of the present invention dog leash with
the belt portion buckled together.
The broken line showing is for illustrative purposes only and
forms no part of the claimed design.
The lead portion being shown broken away for ease of
illustration.
