(57) **CLAIM**
We claim the ornamental design for an architectural panel, as shown and described.

DESCRIPTION

FIG. 1 is an upper front left perspective view of an architectural panel showing our new design; FIG. 2 is a front elevational view thereof; and, FIG. 3 is a left side elevational view thereof, the right side elevational view being a mirror image thereof. The broken lines in the drawings represent portions of the architectural panel that form no part of the claimed design.
