(57) **CLAIM**

The ornamental design for the cosmetic packaging, as shown and described.

DESCRIPTION

FIG. **1** is a perspective view of the cosmetic packaging showing my new design;

FIG. **2** is a front view thereof;

FIG. **3** is a rear view thereof;

FIG. **4** is a left side view thereof;

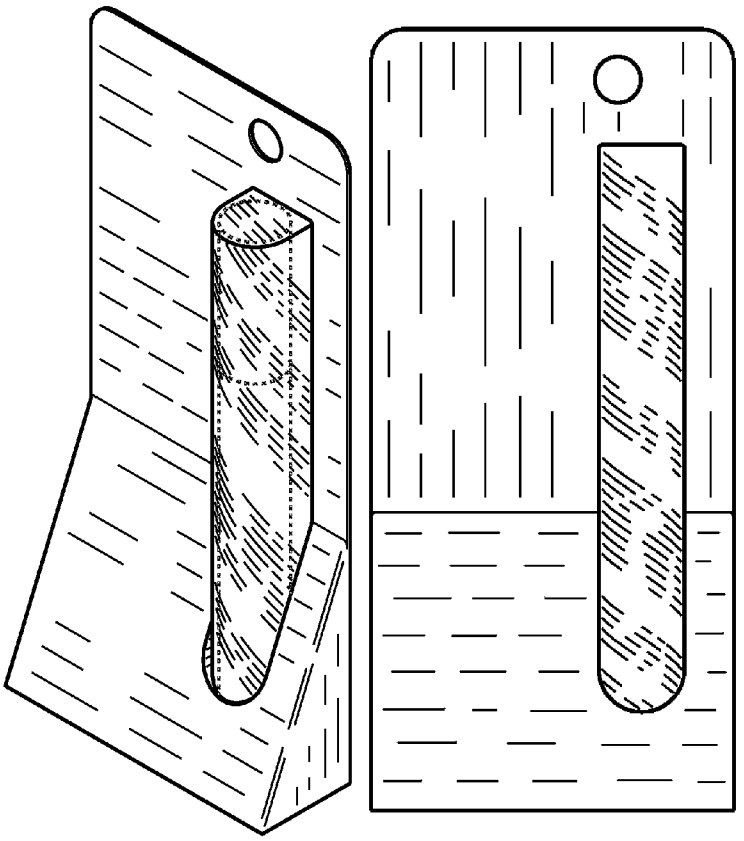

FIG. **5** is a right side view thereof;

FIG. **6** is a top view thereof; and,

FIG. **7** is a bottom view thereof.

The broken lines are included for the purpose of illustrating visible, interior structure that forms no part of the claimed design.
