CLAIM

The ornamental design for a multi-use electric light, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a multi-use electric light showing my new design, the light being shown in open position;
FIG. 2 is a side elevation thereof, the light being shown on smaller scale in closed position and mounted on the roof of a motor vehicle shown in broken lines for illustrative purposes only;
FIG. 3 is a side elevation of FIG. 1, the opposite side being a mirror image thereof;
FIG. 4 is a front elevation thereof;
FIG. 5 is a rear elevation thereof;
FIG. 6 is a top plan view thereof; and
FIG. 7 is a bottom view thereof.
