(57) **CLAIM**

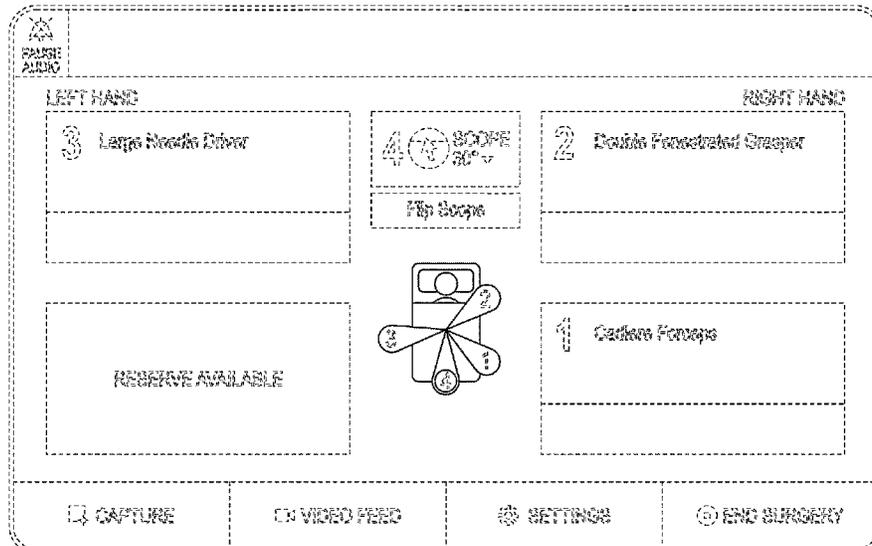

The ornamental design for an operating room team display screen with a graphical user interface of a bed and surgical robotic arm icons, substantially as shown and described.

DESCRIPTION

The FIGURE is a front view of an operating room team display screen with a graphical user interface of a bed and surgical robotic arms icons.

The broken lines showing the display screen form no part of the claimed design. The remaining broken lines showing portions of the graphical user interface form no part of the claimed design.

1 Claim, 1 Drawing Sheet
