FIG. 1 is a front perspective view of an opened emergency road flasher showing my new design;
FIG. 2 is a rear perspective view thereof on a greatly reduced scale;
FIG. 3 is a side view thereof on a reduced scale;
FIG. 4 is a rear elevational view of the flasher in the collapsed position;
FIG. 5 is a bottom plan view thereof on an enlarged scale.

The cord is fragmentarily shown in FIGS. 2 through 5 for convenience of illustration.

I claim:

The ornamental design for an emergency road flasher, substantially as shown and described.
