UNITED STATES PATENT OFFICE

DESIGN FOR A COMBINED BOTTLE AND ENCASEMENT THEREFOR

Jack Green, New York, N. Y.

Application November 12, 1940, Serial No. 96,468

Term of patent 3½ years

To all whom it may concern:

Be it known that I, Jack Green, a citizen of the United States, residing at New York, in the county of New York and State of New York, have invented a new, original, and ornamental Design for a Combined Bottle and Encasement Therefor, of which the following is a specification, reference being had to the accompanying drawing, forming part thereof.

Fig. 1 is a front elevational view of a combined bottle and encasement therefor, showing my new design.

Fig. 2 is a side elevational view.

Fig. 3 is a top plan view, and

Fig. 4 is a side elevational view of the bottle and base portion only of the encasement, the cover portion of the encasement being removed.

The cover portion of the encasement is of transparent material.

I claim:

The ornamental design for a combined bottle and encasement therefor, as shown and described.

JACK GREEN.
