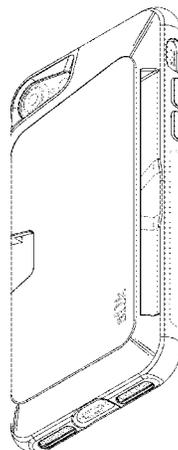

FIG. 10 is a top elevation view thereof.

The broken lines in the drawings form no part of the claimed design. The broken lines are shown to define the boundaries of the claimed design and to disclose the environment related to the claimed design. The broken lines forming the word “silk” in the back views of FIGS. 1 and 3-6 define boundaries of the claimed design and form no part of the claimed design. The broken lines forming elongated ovals in the side views of FIGS. 3-8 define boundaries of the claimed design and form no part of the claimed design. The broken lines inside the pocket area of the back views of FIGS. 3 and 6 define boundaries of the claimed design and form no part of the claimed design. The remaining broken lines disclose the environment related to the claimed design, specifically elements of a mobile communications device disposed
