CLAIM

We claim the ornamental design for shelf management
dividers, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of shelf management dividers
in accordance with our new design; and,
FIG. 2 is a front elevation view of the shelf management
dividers of FIG. 1.

Portions of the shelf management dividers shown in broken
lines in the figures depict unclaimed environmental subject
matter, are for illustrative purposes only, and form no part of
the claimed design. Similarly, unshaded portions that appear
between broken lines or beyond boundary or break lines in
the figures form no part of the claimed design and indicate
that a specific width, height and/or length forms no part of
the claimed design.

It will be understood that all lines in the drawings, including
broken and solid lines, are intended to convey the full
disclosure and variations of the designs and such variations
shall be understood to be fully described herein.
