[57] **CLAIM**

The ornamental design for a mobile telephone assembly including handset, cradle and mounting, as shown and described in the drawings.

DESCRIPTION

FIG. **1** is a left side, top and partial front perspective view of a mobile telephone assembly including handset, cradle and mounting showing my new design;
FIG. **2** is a rear elevational view thereof;
FIG. **3** is a front elevational view thereof;
FIG. **4** is a right side elevational view thereof;
FIG. **5** is a top plan view of the handset;
FIG. **6** is a left side elevational view of FIG. **5;**
FIG. **7** is a right side elevational view of FIG. **5;**
FIG. **8** is a top plan view of the cradle shown separately; and
FIG. **9** is a top plan view of the mounting shown separately.
For ease of illustration and clarity of representation, the handset, cradle and mounting are shown separately in FIGS. **5-9.**
