CLAIM

The ornamental design for an animal entertainment ball, as shown and described.

DESCRIPTION

FIG. 1 is a first perspective view of an animal entertainment ball showing my new design and generally depicting the front and upper regions;

FIG. 2 is a second perspective view of the animal entertainment ball generally depicting the rear and lower regions thereof;

FIG. 3 is a front elevational view of the animal entertainment ball;

FIG. 4 is a rear elevational view of the animal entertainment ball;

FIG. 5 is a right side elevational view of the animal entertainment ball; and,

FIG. 6 is a left side elevational view of the animal entertainment ball.

The broken lines illustrate a boundary line and form no part of the claimed design. The space within the boundary lines forms no part of the claim.
