The ornamental design for the figurine caricaturing an individual of male gender, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a figurine caricaturing an individual of male gender;
FIG. 2 is a rear elevational view thereof;
FIG. 3 is a left side elevational view thereof;
FIG. 4 is a right side elevational view thereof; and,
FIG. 5 is a top plan view thereof.
The broken lines are included to show portions of the figurine that form no part of the claimed design.
