[57] CLAIM

The ornamental design for a combined cabinet and container for housing medical waste, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a combined cabinet and container for housing medical waste showing our new design; FIG. 2 is a left side view of the combined cabinet and container for housing medical waste; FIG. 3 is a right side view of the combined cabinet and container for housing medical waste; FIG. 4 is a rear view of the combined cabinet and container for housing medical waste; FIG. 5 is a top view of the combined cabinet and container for housing medical waste; FIG. 6 is a bottom view of the combined cabinet and container for housing medical waste; and, FIG. 7 is a front view of the combined cabinet and container for housing medical waste with the cabinet door open, showing the container inside the cabinet. The broken line showing in FIGS. 1, 2, 3 and 7 are for illustrative purposes only and forms no part of the claimed design.
