[57] **CLAIM**

The ornamental design for a file card, substantially as shown and described.

DESCRIPTION

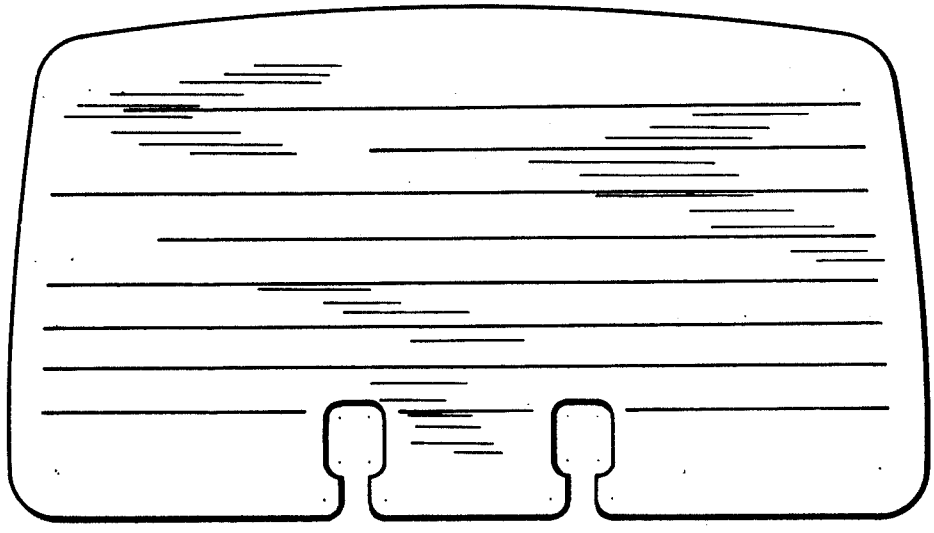

FIG. 1 is a front elevational view of a file card showing my new design, the opposite side being identical thereto;

FIG. 2 is a front elevational view of an alternate embodiment of the file card; and

FIG. 3 is a rear elevational view thereof.

The file card is of conventional thickness.

The design is characterized by the curved top of the file card.

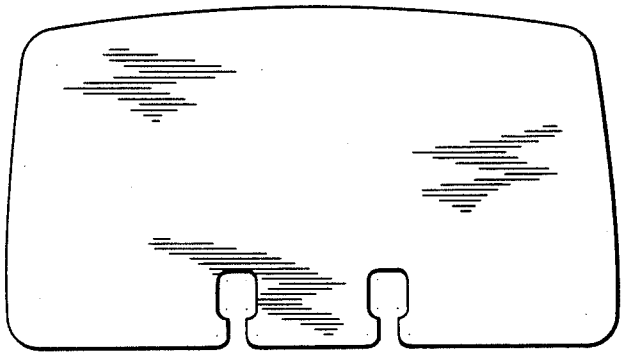

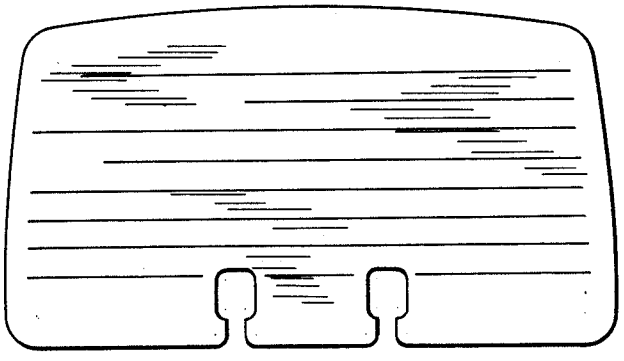

FIG. 1

FIG. 2

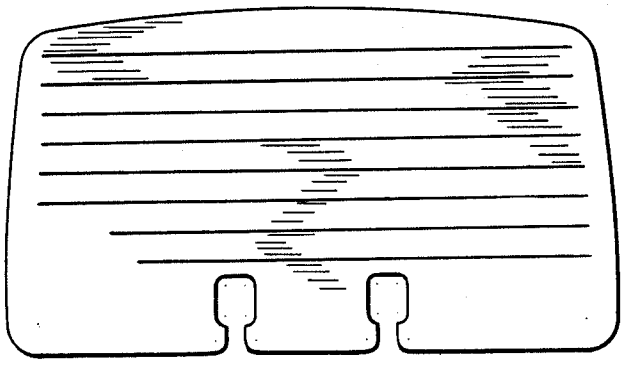

FIG. 3
