(57) **CLAIM**

I claim the ornamental design for a material handling tool, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a first embodiment of a material handling tool, showing my new design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a left-side elevational view thereof, the right-side elevational view being a mirror image thereof;

FIG. 5 is a top plan view thereof;

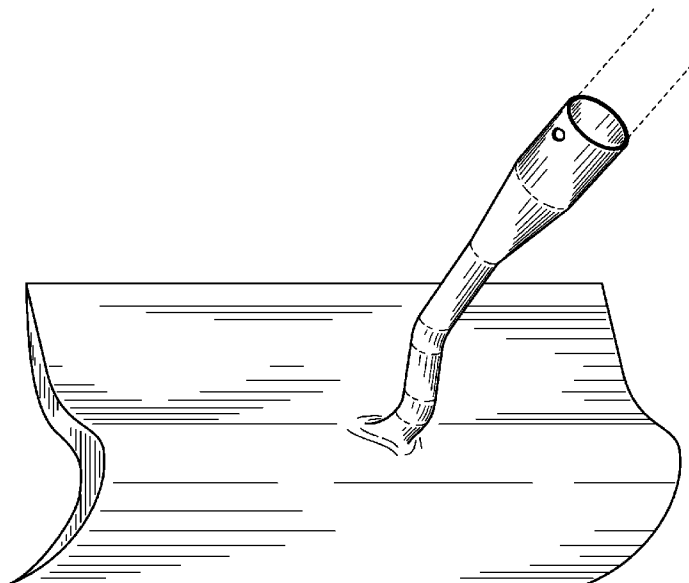

FIG. 6 is a bottom plan view thereof;

FIG. 7 is a right-side elevational view thereof, the tool depicted as in-use on a ground surface; and,

FIG. 8 is a perspective view thereof, depicted as in-use on the ground surface.

The broken lines showing of the tool handle is included for the purpose of illustrating portions of the article and forms no part of the claimed design. The broken lines showing snow, ice, and a ground surface depict environmental matter, and form no part of the claimed design.
