UNITED STATES PATENT OFFICE

165,088

AIR CIRCULATOR AND FURNITURE UNIT

Application July 27, 1951, Serial No. 16,047

Term of patent 14 years

(Cl. D62—4)

To all whom it may concern:

Be it known that I, John W. McElgin, a citizen of the United States, residing at Philadelphia, in the county of Philadelphia and State of Pennsylvania, have invented a new, original, and ornamental Design for an Air Circulator and Furniture Unit, of which the following is a specification, reference being had to the accompanying drawings, forming a part thereof, wherein:

Fig. 1 is a view in perspective showing the front, top and one end of an air circulator unit embodying my new design;

Fig. 2 is a view in perspective showing the front, bottom and the same end of the unit shown in Fig. 1;

Fig. 3 is an elevational view of the left end shown in Figs. 1 and 2;

Fig. 4 is a view in perspective showing the rear, bottom and the other end thereof;

Fig. 5 is a top plan view; and

Fig. 6 is a bottom plan view of the unit.

I claim:

The ornamental design for an air circulator and furniture unit, substantially as shown.

JOHN W. McELGIN.
