(57) CLAIM

The ornamental design for a configurable solar-powered utility tower, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a configurable solar-powered utility tower, showing my new design;

FIG. 2 is a left side elevation view of the configurable solar-powered utility tower, showing my new design;

FIG. 3 is right side elevation view of the configurable solar-powered utility tower, showing my new design;

FIG. 4 is a front elevation view of the configurable solar-powered utility tower, showing my new design;

FIG. 5 is a rear elevation view of the configurable solar-powered utility tower, showing my new design;

FIG. 6 is a top plan view of the configurable solar-powered utility tower, showing my new design; and,

FIG. 7 is a bottom plan view of the configurable solar-powered utility tower, showing my new design.

The broken lines shown in the drawings illustrate portions of the configurable solar-powered utility tower that form no part of the claimed design.
