THE HOWARD PETERS CO., PROPRIETORS, WASHINGTON, D. C.
UNITED STATES PATENT OFFICE.

GEORGE SEMLER, OF MOUNT VERNON, NEW YORK.

DESIGN FOR A LANTERN.

SPECIFICATION forming part of Design No. 34,557, dated May 21, 1901.

Application filed April 18, 1901. Serial No. 86,619. Term of patent 7 years.

To all whom it may concern:

Be it known that I, GEORGE SEMLER, of Mount Vernon, in the county of Westchester and State of New York, have invented and produced a new Design for Lanterns, of which the following is a specification.

My design consists in a lantern representing a grotesque head.

The accompanying drawing is a perspective view of a lantern embodying my design.

A is the body of the lantern.

B and C are top and bottom inlets for draft.

D is a tail or hanger.

On the body of the lantern is portrayed a grotesque head.

What I claim as new, and desire to secure by Letters Patent, is—

The design for a lantern substantially as shown and described.

In testimony whereof I have signed my name to this specification in the presence of two subscribing witnesses.

GEORGE SEMLER.
