- (54) Title: GARMENT TO CARRY MULTIPLE LEG WARMERS

FIG. 1

- (57) Abstract: A garment worn on the leg that carries two or more leg warmers, each leg warmer held at an interval from the other leg warmers, with each leg warmer partially inside and partially outside of the garment. When worn with an ankle boot, the garment gives the appearance that the wearer is wearing a combination of boots having differing heights on the wearer's leg, with each boot fitting into a leg warmer below the boot, and each leg warmer fitting into a boot below the leg warmer.

INTERNATIONAL SEARCH REPORT

International application No.
PCT/IB2013/061319

Box No. II Observations where certain claims were found unsearchable (Continuation of item 2 of first sheet)

This international search report has not been established in respect of certain claims under Article 17(2)(a) for the following reasons:

1. Claims Nos.:
because they relate to subject matter not required to be searched by this Authority, namely:

2. Claims Nos.:
because they relate to parts of the international application that do not comply with the prescribed requirements to such an extent that no meaningful international search can be carried out, specifically:

3. Claims Nos.:
because they are dependent claims and are not drafted in accordance with the second and third sentences of Rule 6.4(a).

Box No. III Observations where unity of invention is lacking (Continuation of item 3 of first sheet)

This International Searching Authority found multiple inventions in this international application, as follows:

see additional sheet

1. As all required additional search fees were timely paid by the applicant, this international search report covers all searchable claims.

2. As all searchable claims could be searched without effort justifying an additional fees, this Authority did not invite payment of additional fees.

3. As only some of the required additional search fees were timely paid by the applicant, this international search report covers only those claims for which fees were paid, specifically claims Nos.:

4. No required additional search fees were timely paid by the applicant. Consequently, this international search report is restricted to the invention first mentioned in the claims; it is covered by claims Nos.:

1-9

Remark on Protest

- The additional search fees were accompanied by the applicant's protest and, where applicable, the payment of a protest fee.
- The additional search fees were accompanied by the applicant's protest but the applicable protest fee was not paid within the time limit specified in the invitation.
- No protest accompanied the payment of additional search fees.

FURTHER INFORMATION CONTINUED FROM PCT/ISA/ 210

This International Searching Authority found multiple (groups of) inventions in this international application, as follows:

1. claims: 1-9

A garment operative to hold a plurality of leg warmers on a wearer's leg, each leg warmer held at an interval from said other leg warmers, with at least one leg warmer partially inside and partially outside of the garment.

2. claims: 10-17

A garment operative to create an appearance that a wearer is wearing a plurality of boots, of differing heights, with each taller boot disappearing into a next lower-height boot, wherein: a leg warmer extends from within each boot to surround a portion of the exterior of a successive boot, in an alternating repetition of boots and leg warmers.
