(54) Title: TECHNIQUE FOR PROVIDING DATA OBJECTS PRIOR TO CALL ESTABLISHMENT

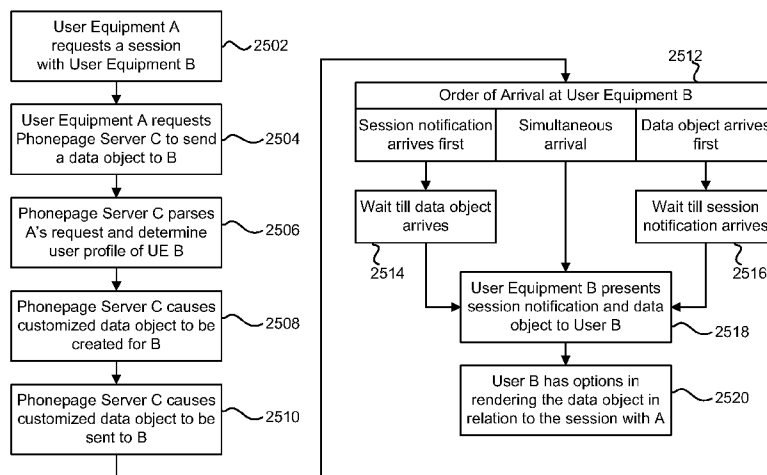

Fig. 15

(57) Abstract: A technique for providing data objects prior to call establishment is disclosed. According to one embodiment, the technique may be realized as a method for providing data objects prior to call establishment. The method may comprise the steps of: initiating, by a first user equipment, a communication session with a second user equipment; transmitting a request from the first user equipment to a phonepage server prior to an establishment of the communication session; causing a data object to be created in response to the request and based at least in part on a user profile associated with the second user equipment; and causing the data object to be transmitted to the second user equipment for rendering thereon in connection with the communication session.
