CLAIM

The ornamental design for a single hinge triple screen portable computer, as shown and described.

DESCRIPTION

FIG. 1 is a front side perspective view of a single hinge triple screen portable computer showing my new design;
FIG. 2 is a front perspective view thereof wherein text is displayed on one of three screens;
FIG. 3 is a top plan view thereof wherein the screen and keyboard are opened 180 degrees;
FIG. 4 is a top plan view thereof wherein text is displayed on one of the three screens and the screen and keyboard are opened 180 degrees;
FIG. 5 is a rear view thereof showing two of the three screens;
FIG. 6 is a rear view thereof wherein text is displayed on two of the three screens;
FIG. 7 is a perspective view thereof wherein the two rear screens are closed together;
FIG. 8 is a front elevational view thereof wherein the two rear screens are closed together; and
FIG. 9 is a side elevational view thereof the opposite side being shown in FIG. 1.
