CLAIM

The ornamental design for a computer display with adjustable stand, as shown and described.

DESCRIPTION

FIG. 1 is a top, front, left side perspective view of a computer display with adjustable stand showing our new design;
FIG. 2 is a top plan view thereof;
FIG. 3 is a left side elevational view thereof, the right side being a mirror image;
FIG. 4 is a front elevational view thereof;
FIG. 5 is a rear elevational view thereof.
