DESIGN FOR A FISH LURE

Application April 19, 1946, Serial No. 128,777
Term of patent 3½ years

(Cl. D31—4)

To all whom it may concern:

I, Ray A. Vaughn, a citizen of the United States, residing at Cheboygan, in the county of Cheboygan and State of Michigan, have invented a new, original, and ornamental Design for a Fish Lure, of which the following is a specification, reference being had to the accompanying drawing, forming a part thereof, in which:

Fig. 1 is a side elevational view of a fish lure, embodying my new design;
Fig. 2 is a top view; and
Fig. 3 is a front elevational view.

The fish lure is ornamented by the application of contrasting colors; the colors indicated in the drawing for the purpose of illustration being orange with the exception of the coloring in the deep spiral grooves of the front portion thereof which are indicated as red, white and blue.

I claim:

The ornamental design for a fish lure, substantially as shown and described.

RAY A. VAUGHN.
