(57) **CLAIM**

The ornamental design for an aircraft vanity display screen, as shown and described.

DESCRIPTION

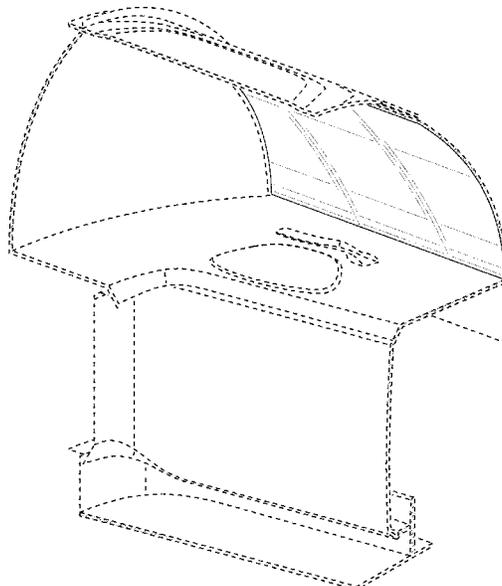

FIG. 1 is a perspective view of an aircraft vanity display screen showing our new design in an aircraft lavatory; FIG. 2 is another perspective view showing the aircraft vanity display screen of FIG. 1; FIG. 3 is a side view showing the aircraft vanity display screen of FIG. 1; FIG. 4 is another side view showing the aircraft vanity display screen of FIG. 1; and, FIG. 5 is front view showing the aircraft vanity display screen of FIG. 1. In FIGS. 1-5, broken lines indicate environmental structure that forms no part of the claimed design.
