[57] CLAIM

The ornamental design for a mounting plate, as shown.

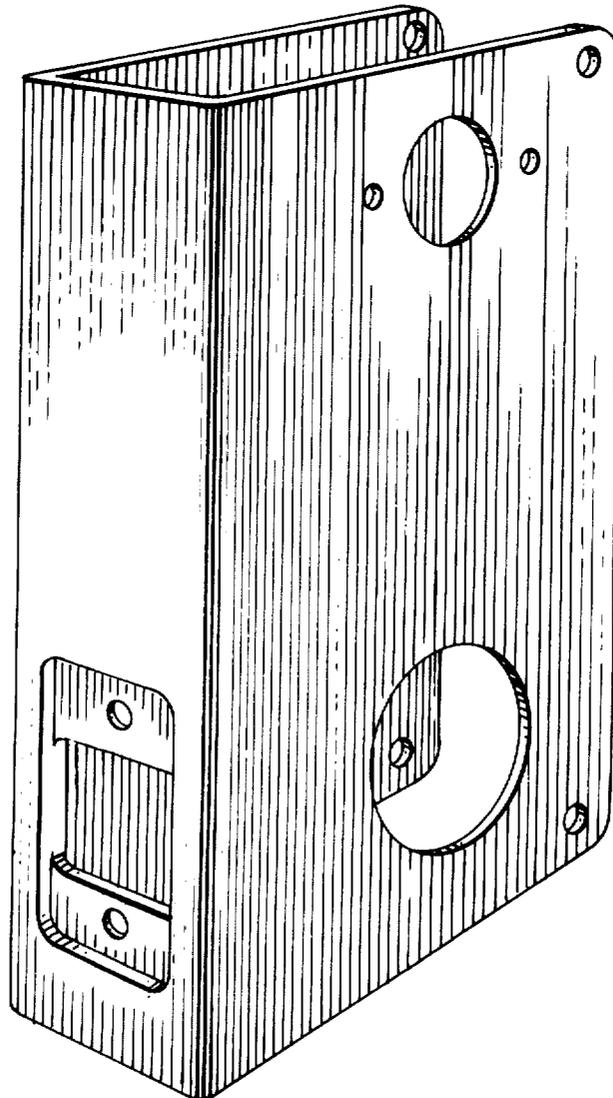

DESCRIPTION

FIG. 1 is a perspective view of a mounting plate which embodies the principles of my new design and which shows leading edge and side portions of the mounting plate;

FIG. 2 is a perspective view showing the opposite side portion of the mounting plate;

FIG. 3 is a rear view of the leading edge of the mounting plate; and

FIG. 4 is a top view of the mounting plate showing the rearward projecting portion of a depression formed in the rearward facing side of the leading edge of the mounting plate.
