## WINDOW CURTAIN

Florence H. Vance, Oak Park, Ill.

Application July 6, 1949, Serial No. 3,734

Term of patent 14 years

(Cl. D47—6)

*To all whom it may concern:*

Be it known that I, Florence H. Vance, a citizen of the United States, residing in Oak Park, in the county of Cook and State of Illinois, have invented a new, original, and ornamental Design for a Window Curtain, of which the following is a specification, reference being had to the accompanying drawings, forming part thereof, in which:

Fig. 1 is a front elevational view of a window curtain embodying my new design;

Fig. 2 is a side elevational view of the curtain shown in Fig. 1; and

Fig. 3 is a top elevational view of same.

The design is characterized by a ruffle on the front edge portion of the drape or swag of the curtain, said ruffle extending outwardly from the plane of the curtain at substantially right angles thereto, as shown.

I claim:

The ornamental design for a window curtain, substantially as shown and described.

FLORENCE H. VANCE.
