

UNITED STATES PATENT OFFICE.

WALTER CAMPBELL, OF CAMDEN, NEW JERSEY.

IMPROVEMENT IN MEDICAL COMPOUNDS FOR THE CURE OF FEVER AND AGUE.

Specification forming part of Letters Patent No. **132,629**, dated October 29, 1872.

To all whom it may concern:

Be it known that I, WALTER CAMPBELL, of Camden, in the county of Camden and State of New Jersey, have invented a new and valuable Medical Compound, a Remedy for Fever and Ague; and I do hereby declare that the following is a full, clear, and exact description of the same.

The ingredients which make up my improved compound, which I call "The Fever and Ague Conqueror," are as follows and in the proportions named: Thirty drops spirits nitre, forty drops turpentine, thirty drops vitriol, four drams red pepper, four drams sulphur, one quart rye whisky.

This compound is a reliable cure for the fever and ague, and may be used with benefit in the treatment of other complaints.

What I claim as my invention, and desire to secure by Letters Patent, is—

The compound, composed substantially of the ingredients herein named, for the purpose set forth.

In testimony that I claim the above I have hereunto subscribed my name in the presence of two witnesses.

WALTER CAMPBELL.

Witnesses:

JEROME McTIGHE,
M. DANL. CONNOLLY.
