(54) Title: SOLAR FIELD CANVAS

Solar Canvas = Solar Panels + Image

FIG. 1C

(57) Abstract: A solar field made up of a plurality of mutually adjacent solar panels and a substantially horizontal visual display associated aurally with at least a portion of the solar panels. The field may include landscaping which forms at least a portion of the display. The solar panels may include differently colored solar cells arranged to form at least a portion of the display. The field may include a plurality of light emitting elements, coupled to at least a portion of the solar panels and controlled to selectively display a visual image.
