[57] **CLAIM**

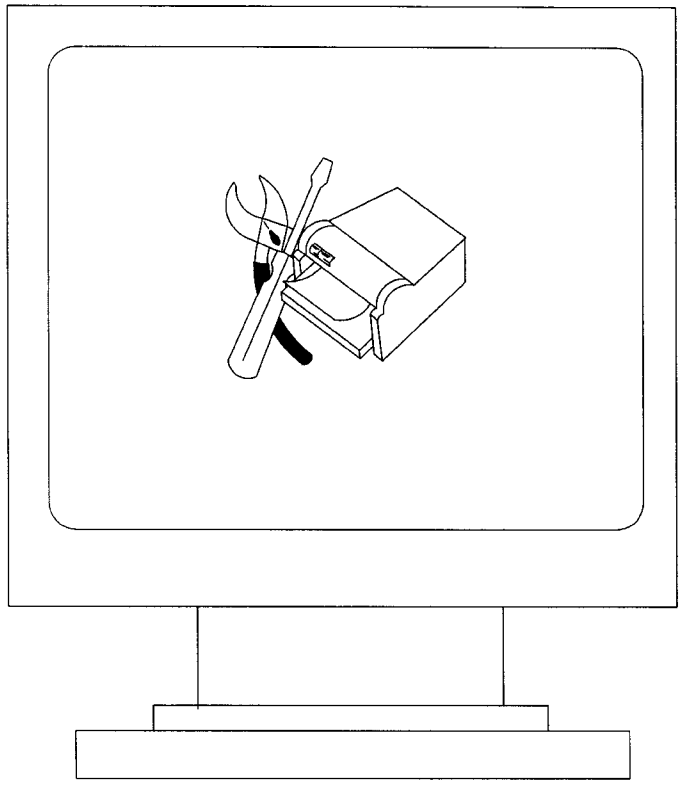

The ornamental design for a "print utilities" icon for a display screen, as shown and described.

DESCRIPTION

FIG. **1** is a front view of a "print utilities" icon for a display screen according to the present invention, the broken line drawing of a display screen is for illustrative purposes only and forms no part of the claimed design; and,

FIG. **2** is a front view thereof, on an enlarged scale, the "print utilities" icon is shown separately for clarity of illustration.
