**CLAIM**

The ornamental design for a spatula handle for a device having a non-shaving head, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of the spatula handle for a device having a non-shaving head (portions not claimed shown with broken lines).

FIG. 2 is an elevation view from a side thereof (portions not claimed shown with broken lines).

FIG. 3 is an elevation view of the rear thereof (portions not claimed shown with broken lines).

FIG. 4 is an elevation view of the front thereof (portions not claimed shown with broken lines).

FIG. 5 is a plan view of the top thereof (portions not claimed shown with broken lines); and,

FIG. 6 is a plan view of the bottom thereof (portions not claimed shown with broken lines).

The broken line showing the spatula handle coupled with the device in FIGS. 1--6 is for illustrative purposes only and forms no part of the claimed design.
