UNITED STATES PATENT OFFICE.

GEORGE E. CHANDLER, OF TAUNTON, AND FREDERIC W. PARSONS, OF
NEWBURYPORT, MASSACHUSETTS.

DESIGN FOR A GAME-BOARD.

SPECIFICATION forming part of Design No. 27,844, dated November 9, 1897.

Application filed June 18, 1897. Serial No. 641,363. Term of patent 3½ years.

To all whom it may concern:

Be it known that we, GEORGE E. CHANDLER, of Taunton, in the county of Bristol, and FREDERIC W. PARSONS, of Newburyport, in the county of Essex, in the State of Massachusetts, have invented and produced a new and original Design for Game-Boards, of which the following is a specification, reference being had to the accompanying drawings, forming part thereof.

Figure 1 represents a plan view of a game-board illustrating our new design. Fig. 2 represents a sectional view of the same.

The leading features of our new design for 15 game-boards consist in the shape of the raised

portions C C, with the channel D, having the enlargements F and G.

In the drawings, A represents the raised frame, having the floor B, on which are the raised portions C C. Between these raised portions is the channel D, having the enlargements F and G.

What we claim is—

The design for a game-board as herein shown and described.

GEORGE E. CHANDLER.
FREDERIC W. PARSONS.
