My

By

Milo W. Stevens

Attorney
To all whom it may concern:

Be it known that I, MAUDE M. KINDRED, a citizen of the United States, residing at Milwaukee, in the county of Milwaukee and State of Wisconsin, have invented certain new and useful Improvements in Scrapers for Kitchen Use, of which the following is a specification.

This invention is a scraper for use in kitchens, and has for its object a simple and efficient implement of this kind provided also with a drying or wiping device.

In the accompanying drawing in which a perspective view of the invention is shown, 5 denotes a scraper blade which is a sheet metal plate having a front scraping edge. At its rear end said plate is doubled or folded upon itself to contact, and then bent outwardly to form a blade 6 which carries a wiping and drying device comprising a strip 7 of rubber. The rubber strip is secured to the front edge of the blade 6 being fastened between the same and a spring strip 8 secured to the blade. The blades 5 and 6 are spaced from each other a suitable distance in order that the scraper and the drier or wiper may be used without interfering with each other. To the doubled portion of the blade 5 is soldered or otherwise secured a handle 9. By doubling said blade as shown it is stiffened so that it will not bend when in use.

The implement herein described is especially designed for scraping pastry tables. The scraper blade 5 is first used after which the strip 7 will be rubbed over the table to dry or wipe the same. The implement will be found handy and convenient for the purpose stated and when the rubber strip 7 becomes worn it can be readily removed and renewed.

I claim:

A kitchen implement comprising a plate folded upon itself to contact, to form a portion of double thickness, one end of the plate having a forwardly presented scraping edge, and the other end being bent outwardly at an angle to the plate, a wiper secured to the front edge of the last mentioned end, and a handle secured to the doubled portion of the plate.

In testimony whereof I affix my signature, in presence of two witnesses.

MAUDE M. KINDRED.
