FIG. 1 is a view in front elevation of a china cabinet with carved doors showing my design.

FIG. 2 is a view in side elevation of the cabinet of FIG. 1.

FIG. 3 is a bottom view of the cabinet of FIG. 1.

The back of the cabinet is conventionally flat and the side not shown is identical to the side shown in FIG. 2.

I claim:

The ornamental design for a china cabinet with carved doors or the like, substantially as shown and described.
