UNITED STATES PATENT OFFICE

149,801

DESIGN FOR A LOUD SPEAKER CASING

Jay B. Doblin, Laurelton, N. Y., assignor, by mesne assignments, to Reconstruction Finance Corporation, Kansas City, Mo., a corporation of the United States

Application May 10, 1946, Serial No. 129,563

Term of patent $3\frac{1}{2}$ years

(Cl. D26—14)

To all whom it may concern:

Be it known that I, Jay B. Doblin, a citizen of the United States, residing at Laurelton, Queens County, New York, have invented a new, original, and ornamental Design for Loud Speaker Casing, of which the following is a specification, reference being had to the accompanying drawings, forming part thereof.

In the drawing the single figure is a perspective view of a loud speaker casing embodying my new design.

Both sides of the design are the same.

I claim:

The ornamental design for a loud speaker casing, as shown and described.

JAY B. DOBLIN.
