To all whom it may concern:

Be it known that I, Josie C. Barefoot, a citizen of the United States, residing at Charlotte, in the county of Mecklenburg, and State of North Carolina, have invented a new, original, and ornamental Design for a Display Table, of which the following is a specification, reference being had to the accompanying drawing, forming part thereof.

Figure 1 is a front elevational view of the display table, showing my design;

Fig. 2 is a top plan view thereof, the dot and dash lines indicating that a portion of the table is broken away for lack of space, the length of the table being accurately shown in Fig. 1; and

Fig. 3 is an end elevational view of the display table.

I claim:
The ornamental design for a display table, as shown.

JOSIE C. BAREFOOT.
