

UNITED STATES PATENT OFFICE.

JOSHUA A. CARPENTER, OF WAVERLY, NEW YORK.

IMPROVEMENT IN MEDICAL COMPOUNDS FOR CURE OF THE CATARRH.

Specification forming part of Letters Patent No. **135,077**, dated January 21, 1873.

To all whom it may concern:

Be it known that I, JOSHUA A. CARPENTER, of the village of Waverly, in the county of Tioga and State of New York, have invented a new and valuable Improvement in Catarrh Cure; and I do hereby declare that the following is a full, clear, and exact description of the same.

This invention has relation to a new medical compound for the cure of catarrh; and it consists in the combination of the following-specified ingredients, in about the proportions given:

RECIPE.—Oil of tar, ten drops; gum camphor, one ounce; salt, (chloride of sodium,) one-half ounce; glycerine, four ounces; water, four ounces.

Mix oil of tar and gum-camphor, and dissolve in salt and water. Then add water and glycerine. To be applied by means of a nasal douche, and also used as a gargle in the throat.

Having fully described my invention, what I claim as new, and desire to secure by Letters Patent, is—

The ingredients herein specified, combined substantially in the manner and about the proportions set forth.

In testimony that I claim the above I have hereunto subscribed my name in the presence of two witnesses.

JOSHUA A. CARPENTER.
