[57] **CLAIM**

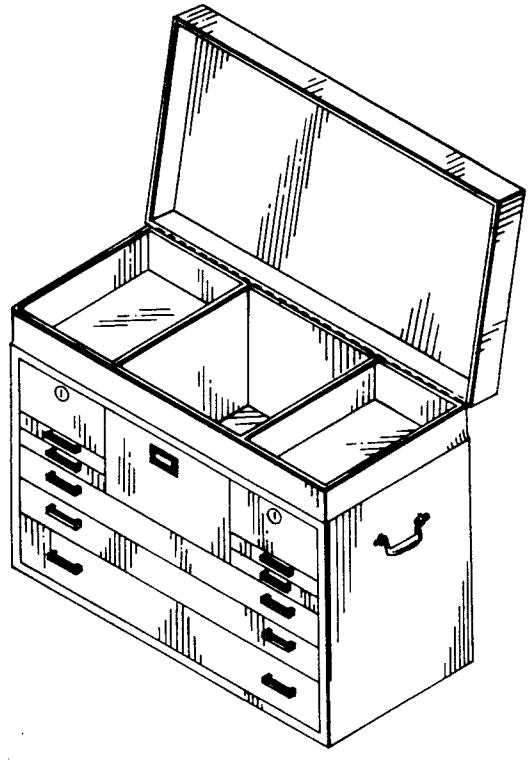

The ornamental design for a tool chest, or similar article, as shown and described.

DESCRIPTION

FIG. **1** is a perspective view of a tool chest, or similar article, showing my new design, the left side of the tool chest being substantially a mirror image of the right side as shown;

FIG. **2** is a perspective view thereof with the lid in an open position; and

FIG. **3** is a front elevational view of FIG. **1** the rear surface being plain and unornamented.

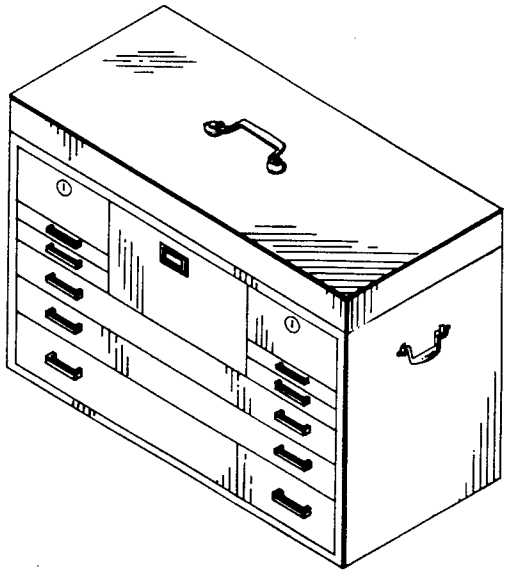

FIG-1

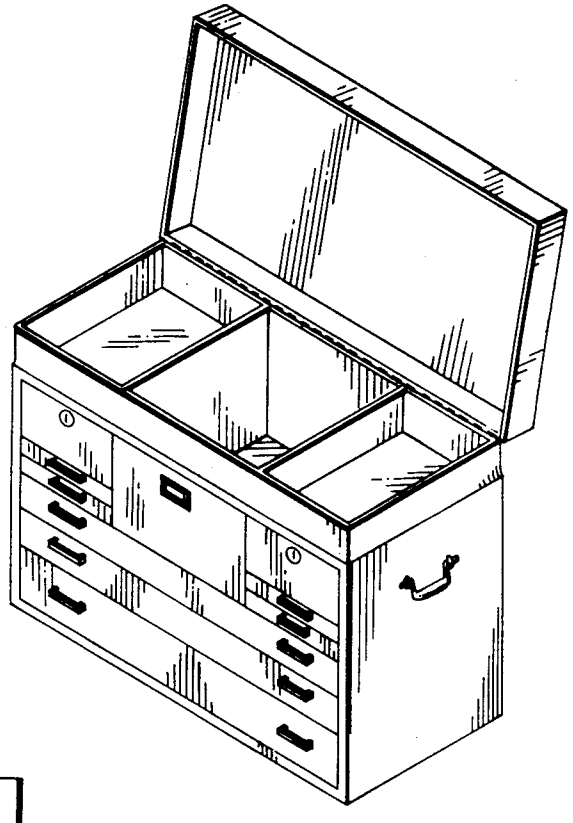

FIG-2
