Des. 749

Conrad Harris & Paul M<sup>r</sup> Joiner of Cincinnati, O.

Letters Patent No. 749 - Dated, Dec. 11, 1855.

~~~~~

The Schedule referred to in these Letters Patent and making part of the same.

~~~~~

To all whom it may concern,

Be it known, That we Conrad Harris and Paul M<sup>r</sup> Joiner both of Cincinnati, Hamilton County, State of Ohio, have invented or produced a new and original design for premium book stones and we do hereby declare the following to be a full and exact description of the same, reference being had to the annexed drawings and to the letters of reference marked thereon, to wit: letter A, being a perspective view of the stone.

What we claim thereon as new, and desire to secure by Letters Patent is the configuration and arrangement of the several ornaments as set forth in the annexed drawings forming a new and original design for premium book stones to be known and called the Karzas.
