(57) **CLAIM**

The ornamental design for a display panel for power machine, as shown and described.

DESCRIPTION

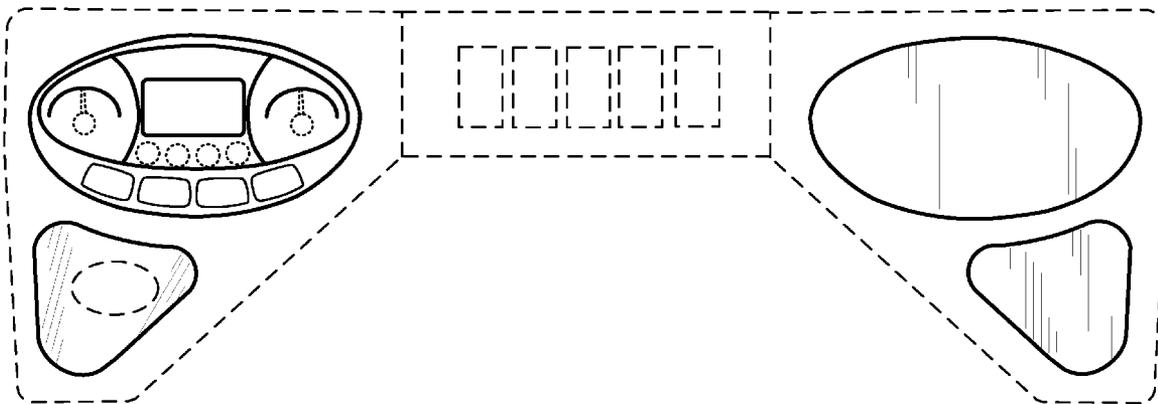

FIG. 1 is a front view of a first embodiment of a display panel for power machine, showing our new design.

FIG. 2 is a front view of a second embodiment of a display panel for power machine, showing our new design; and,

FIG. 3 is a front view of yet another embodiment of a display panel for power machine. Other views (not shown) of the display panel include no surface ornamentation and form no part of the claimed design.

Broken lines shown in the figures are provided for illustrative purposes only and form no part of the claimed design.
